I'm told there is a Police Liaison officer working with you. The requests should also go through them to speed

go through them to speed things up. Let me know if you run into any problems!!

Police say they have been trying to contact you on your phone,,. It probably comes across as a blocked number.

No calls yet

CST Jordon Blonde has been sending you msgs and no response

Good morning Chris I'm just trying to get a gauge on how we're doing would you be able to tell me how many trucks we have on Wellington and how many big trucks we have left South Wellington?

Just the large trucks and not pickups or cars

pickups or cars

Are you continuing to try to move trucks today or has that effort stalled?

We moved maybe 40 yesterday. I wore myself out yesterday with that. Rested up now and preparing to get at it again

Thanks Chris
